Full Stack Web Developer

Hello, this is Anika. I am a junior full-stack web developer. I like programming, problem-solving, and developing websites. I am very excited to learn and get new challenges.

SKILLS

- HTML | HTML5 | ES6 | CSS | CSS3 | JavaScript | ReactJS | NodeJS | API | Git | Bootstrap | Tailwind | MongoDB | JWT | Stripe | Firebase | Figma | Netlify | Vercel | VS Code
- C | JAVA | DS & Algorithm | React Bootstrap | React Tailwind | DaisyUI
- Python | C++ | PHP | MySQL | xampp | Redux | TypeScriptJS | NextJS | MaterialUI

PROJECTS

SECOND LOOK live website client-side server-side *11/2022 – 11/2022*

This is an online library website where people can sell their used books.

Overview

- JWT & Firebase authentication to make the user's data secure & MongoDB to reserve data.
- Private route to make different types of users with different dashboard routes. Strip as payment gateway.
- Category-wise products, users can buy & sell used products and the admin can handle users.

Tech Stack: ReactJS, NodeJS, DaisyUI, Axios, react hook form, react query, imgbb, cors, vercel

HOME SERVICE live website client-side server-side *11/2022 – 11/2022*

This is an e-commerce website where people can sell their services.

Overview

- JWT & Firebase authentication to make the user's data secure & MongoDB to reserve data.
- User can add their services, can review any of the services, and edit or delete their reviews.
- User can view the full image of the added service on click and can create/log in with google.

Tech Stack: ReactJS, NodeJS, DaisyUI, react photo view, cors, vercel

Let's LEARN live website client-side server-side *10/2022 – 10/2022*

This is an educational website from where people can buy courses.

Overview

- Firebase Authentication and private route to make user information on the website secure.
- User can buy any course, get premium access, and download the course outline as a PDF.
- Besides, API is generated as part of the back end.

Tech Stack: ReactJS, NodeJS, DaisyUI, react to pdf, cors, vercel

EDUCATION

Premier University Chittagong *2020 - Present*

BSc in Computer Science & Engineering

LANGUAGES

Bangla - Native or Bilingual Proficiency **English** - Professional Proficiency

ACTIVITIES

Problem-solving codeforces *Novice*
